Office of the Assistant
to the Director

Dear Pat:

I wanted to thank you, even though belatedly, for the phone call you made to me on the occasion of my new appointment. The delay comes from the fact that I thought it best to await confirmation and swearing-in before going in writing to express my thanks to you.

Our future will be marked by a good many problems, I am sure, but I see as many opportunities as problems, particularly in the knowledge that this place is inhabited by so many solid and dedicated intelligence professionals like yourself.

All the best and thanks again.

Faithfully yours,
